Part of Outcomes First Group

4<sup>th</sup> December 2023

Dear Parents and Carers

Waterloo Lodge School has agreed to take part in the OxWell study which investigates pupil health and wellbeing through pupils completing an online survey. The study hopes to better understand what is happening to the mental health of young people, and with this inform schools and local services of how to provide pupils with the best mental health support.

The survey does not identify pupils and therefore does not ask for names, addresses, date of birth or use unique logins.

A member of staff will be present when your child is completing the survey, this will allow them to offer any support if necessary. The survey will only take around 15 minutes to complete.

The survey will commence week commencing Monday 11<sup>th</sup> December 2023.

If you wish for your child not to participate in this survey please email [admin@waterloolodge.co.uk](mailto:admin@waterloolodge.co.uk) or ring the school office on 01257 230894.

For further information on the OxWell study please visit <http://oxwell.org/>

Yours sincerely

Miss C Brown  
IAG and Liaison Officer
